**Year 11,12, 13 InvestIn - Preparing for Success this Summer – 19<sup>th</sup> June** 

#### InvestIn

As the summer approaches, it is a great time for you to start thinking about how to use that time wisely. To get a head start on your future, you can use this time to upskill and gain valuable experiences that will boost future applications. Parents can also play a vital role in sharing ideas to inspire and motivate their child.

Join us on Wednesday 19th June as we discuss how students can make the most of their summer break and maximise their career potential.

• The impact of the changing job market on the future of careers

- A deep dive into desirable skills students can build over the summer and key practical takeaways to implement this
- How InvestIN can support students on their career journey

## All – Jersey Overseas Aid - The Rohingya Experience – 2<sup>nd</sup> July An Outdoor Photography Trail

This July, Jersey will be hosting the European premiere of *The Rohingya Experience* – an outdoor photography exhibition which shines a light on the trials, triumphs and resilience of the world's largest stateless population.

Organised by Jersey Overseas Aid (JOA), and in collaboration with Rohingyatographer, a collective of talented Rohingya photographers, *The Rohingya Experience* will showcase award-winning photographs taken in the world's largest refugee camp. The photographs will be on display in seven locations around town, including Liberation Square, West's Centre, Charing Cross, at the Cenotaph and on King and Queen Street, between 1st-14th July. It will be the first time this collection of photographs, which show the how the power of photography can give a voice to the stateless, provide a platform for visual storytelling and offer a glimpse into life in the camps through the eyes of Rohingya youth, has been exhibited in Europe.

Join us for the public launch event on Tuesday 2nd July at 5:45pm at Jersey Arts Centre. FREE tickets are available on the Arts Centre website.

## Post 16 – etrust - Insight Into University - 1st July until 23rd August 2024

The experience will run from 1st July until 23rd August 2024 and can be completed flexibly to fit around other commitments and study at a pace that suits individual circumstances.

#### Who is it for?

The experience is open to all students age 16+ and is suitable for all abilities, with activities that cover different levels of advanced study. All students need is a genuine interest in STEM and inquisitiveness about what the future can hold for them and how they can help get themselves there.

#### How to apply?

Visit our website https://www.etrust.org.uk/insight-into-university to register your interest!

Insight into University is a comprehensive virtual experience allowing students to explore STEM studies at university and the career opportunities that these subjects lead to. It provides access to information on student life, STEM projects and activities set by leading UK universities and global STEM companies, first year undergraduate lectures, live interactive sessions with academics, admissions tutors, employers and current students.

Whether young people are interested in life sciences, chemistry, biomedical, forensic science, robotics, food science, electronics, engineering, physics, computer science, sustainability, materials science, aerospace, built environment, tech or maths, we have something for them. With specially developed content and live sessions from universities including University of Cambridge, Sheffield, Lancaster, Abertay, UCL, Oxford, Liverpool, Plymouth, Edinburgh, Birmingham, Warwick, Kingston, Nottingham, Strathclyde. We will also have some fantastic workshops and careers guidance from organisations such as Innovate UK, GSK, GE, Tech Partnership, Rolls Royce and more. The unique feature of this course is that students are able to access content from a diverse range of STEM subjects and will be able to tailor a course that suits their interest. On successful completion of the course, which involves 30 hrs of study, students will receive a Silver Industrial Cadets award and be in a position to make a more informed decision for their UCAS application.

## **Year 12 – Unifrog Unifrog Taster Lectures – 17th – 19th June**

#### **UNIFROG - University taster lectures - Webinar series for students**

Get a glimpse of what it's like to study at university with these taster lectures. From History to Maths, Creative Arts to Sociology and Criminology, and Law to Medicine - find out what attending a university lecture is really like!

Taster lectures give students a valuable insight into the teaching style, content, and depth of study required for a university subject. We've invited lecturers from across the UK to host this virtual series - including SOAS, University of Durham, Sheffield Hallam University, and University of Bristol.

Click below for more information and to sign up!

Series Taster Lectures - Webinars - Teacher - Unifrog - 17-19 June

#### **Springpod's Virtual Work Experience programmes**

Springpod's Virtual Work Experience programmes are now open for students to start right-away.

These short courses take around an 6-8 hours to complete, can be started at school or home, and include video content and activities for students to work through. Upon completion they will receive a certificate.

To make your life as easy as possible we've put a selection of our top work experience opportunities into one pdf <u>here</u>. Click on the boxes in this PDF to view the experience.

Choose from a wide range of FREE programmes in industries like law, engineering, medicine, computer science, and more.

#### How do I get started?

All you need to do is create a free account and click 'start now' to access the programme. You can come back to the programme via your dashboard and complete it at a later date when it suits you.

A selection of our top experiences are on this pdf to share.

#### Springpod's Spotlights (University Experiences)

If you're not aware of our Subject Spotlights - they're mini lecture series delivered by top academic professors on a certain topic. These are designed to give students a chance to experience realistic university-style learning before they have to apply for courses.

There are some great Spotlight's available for students to explore, in a complete range of subject areas:

- Pharmacy with The University College London
- Biological Sciences with The University of Leicester
- Law with The University of Law

You can access all of our Spotlights here.

#### **TOP TIP: Proof of Address in UK**

Thinking ahead - Just a note to advise, for employment purposes, you should retain **proof of addresses** whilst in the UK, for when you return to Jersey.

## Year 11,12,13 - JEP's 'What Next' supplement

**CLICK HERE: What Next** 

This is an expert guide in choosing the right career path whether it be for GCSE/ A Level leavers, starting a business or even a career change. This publication has plenty of resources, tips and tricks, and the connections you need to be successful in the future.

### Year 12 - SurgeryLIVE online course by DoctorsLIVE - 6th July

SurgeryLive - Virtual Surgical Theatre Operating Experience - Saturday 6th July 2024

Our **SurgeryLive** course is an **innovative and interactive virtual course** that gives students a real glimpse of what it's like to be a **surgeon** in an operating theatre, delivered by practising surgeons.

For more information and to enrol, please visit the link below:

https://doctorslive.co.uk/surgerylive/

#### **Project Trust Gap Year Opportunities – Post Sixth Form**

Project Trust is an educational charity and for more than 55 years we have specialised in sending school leavers, aged 17-25 years old, on challenging and structured international volunteering placements. Volunteers undertake 8- or 12-month placements, focusing on teaching, youth development and conservation across Africa, Asia and Latin America. These placements help develop vital skills for their future.

You can find more information on their website: www.projecttrust.org.uk

#### **Government Bursary Award – Infrastructure & Environment**

The Government of Jersey have a fantastic opportunity within the Infrastructure & Environment department for students to apply for a bursary award if studying a university course relating to **Engineering**, **Environmental & Biological Sciences and Chemistry**.

Applicants must have been accepted, either firmly or provisionally, by a university or equivalent institution to undertake a full-time first-degree course and must have attained any minimum entry requirements set as a condition of acceptance.

#### Year 12 – University preparation

For those all important university applications here are some virtual work experiences students can add to their application.

Springpod.co.uk offer virtual work experience with leading employers so you are prepared for any choices you need to make about your next steps in 23/24. This experience can really help strengthen applications to apprenticeships and universities but equally as important gives you the chance to explore your ideas and reflect on your own skills and qualities before you apply.

Experiences can really motivate and inspire you to consider a range of pathways and provide that inspiration needed for the personal statement! Springpod have a vast range of programmes in many different fields, such as STEM, Healthcare and even Real Estate. These courses can be completed flexibly around your studies, making balancing the workload with other commitments nice and easy. Springpod want to ensure that you have the chance to apply, so have created this easy PDF (link below) which includes all of their upcoming programmes.

Click here to view the PDF and see what's on offer:

https://drive.google.com/file/d/1CXV5BKzWIr4hMhBnD-Jcbnr3vJdqJqBE/view

Or see here for our region-exclusive programmes!

#### **Years 10 – 13 – InvestIn Programmes**

From November they will be running one-day weekend programmes, spanning **15 different careers** and available both online and in-person. Please see the flyer <u>via this link</u>. As we are a Partner School students benefit from a 10% discount by use of the code <u>VICTORIA10</u>.

For those looking ahead, the **2024 Summer Experiences** are also already live on the website, given that these are always popular and therefore it might be worth considering the **early bird discount of 15%** off these opportunities with the code **SUMMER15A**.

## Year 12 & 13 Law - University of London Law Degree on Island

Is your son interested in studying Law in Jersey with the University of London?

The Institute of Law is now offering the opportunity to study for the University of London Certificate of Higher Education in Common Law (Cert HE). This Level 4 stand alone qualification is ideal for those who are interested in obtaining a legal qualification but may not require or be able to commit to a full law degree. The Cert HE may be studied full time over 1 year or part time over 2 years or more. The Cert HE offers an opportunity to study subjects that form part of the LLB degree and those who successfully pass can continue to the second year of the Law degree or exit with the Cert HE qualification.

You must study for the Cert HE at a University of London Recognised Teaching Centre and the Institute of Law is the only Recognised Teaching Centre in the Channel Islands, we offer face to face teaching, small class sizes and a friendly approach to help and guide students through their studies. We have successfully delivered the Cert HE and LLB Law Degree for more than 10 years and many of our graduates have gone on to successful careers in the legal profession and other occupations.

The Cert HE programme particularly welcomes applications from those who may not have traditional qualifications such as A levels and the University of London has a flexible approach to the qualifications required to study the programme. Please contact the Institute of Law if you want to know if your qualifications would be suitable for the programme.

If you are interested and would like further information, please contact us by email on <a href="mailto:administration@lawinstitute.ac.je">administration@lawinstitute.ac.je</a> or call 01534 826060. More details on the programme are available on our website at <a href="https://www.lawinstitute.ac.je/2022/certhe/">https://www.lawinstitute.ac.je/2022/certhe/</a>

If you would like any more information on the above, please don't hesitate to contact:

Lisa Osborne, Registrar and Head of Administration Institute of Law, Jersey

www.lawinstitute.ac.je

01534 826060

#### Years 12 & 13

Connected document from Skills Jersey featuring lots of great opportunities. https://skillsjersey.newsweaver.com/Connected/19jvm7l812m

#### Year 13

Students who are looking for employment after A-levels may like to keep on eye on this website <u>Local opportunities for student pages</u>

#### Year 13

#### **University Bursaries**

There are many bursaries available to students to undertake university study, for more information please visit

https://www.gov.je/working/careers/16to19yearolds/enteringhighereducation/financinghighereducationcourse s/pages/trustsbursariesgiftfunds.aspx

## **Careers pages on the School Website**

Please take a look at the careers pages on the school website <u>Victoria College - Careers</u> There is lots of information on there about what we do in school, some amazing websites to take a look at, how employers can become involved with Victoria College and information specifically for parents.
